About

SANTEØ is a Miami-based electronic music duo formed by Lucas Ochoa and Sebastian Carrillo. Blending tech house, house, Latin house, minimal and melodic influences, the duo delivers energetic, groove-driven performances inspired by Miami's nightlife and the global underground electronic music scene.

Biography

Founded in 2024, SANTEØ was created from a shared passion for electronic music, DJ culture, and live performance. Since launching, the duo has released original music, earned a signing with DUB Miami, established a residency with Sense Nightlife, and performed across Miami and Colombia. Their sets combine underground selections with Latin-inspired grooves and modern house music.
